Radiology SA – Salisbury

| | |
|---------------|--|
| Location: | 2-4 Commercial Road, Salisbury, SA |
| Sector | Medical |
| Project Value | \$7 million |
| Building Size | 750 square metres |
| Timeline | 20 months from inception to practical completion |

Radiology SA approached Leyton Property after encountering challenges in securing a site within Salisbury for their new purpose-built clinic. Leveraging our market expertise, we identified and secured a high-profile site off-market on the corner of Park Terrace and Commercial Road.

Our team worked in close partnership with Radiology SA throughout the entire process—from site identification, detailed design and development approvals to construction—ensuring the successful delivery of this state-of-the-art facility within a 20-month timeframe, from inception to practical completion.

Proud to contribute to the advancement of healthcare infrastructure in the community.
